**TERMS AND CONDITIONS:**

All applicants must read & agree to the following terms and conditions for adoption from LaMa Animal Rescue & Support Services. Any modification of these terms must be approved in writing.

I attest that the information provided on this application is true and accurate to the best of my knowledge. I understand that completion and submission of this application does not guarantee that I will foster a dog or cat. I hereby permit LaMa Animal Rescue & Support Services to contact my veterinarian and landlord if applicable.

I understand that there is always an adjustment period for any foster animal coming into my home. The average time a foster animal spends in a foster home can vary and I am willing to work to make this foster animal a member of my family during his/her stay. I understand that LaMa Animal Rescue & Support Services, cannot be held responsible for the actions, behaviors, and/or medical condition of all of the animals in its rescue. I agree to assume the risks implicit in working with animals that may have been abandoned, beaten or otherwise mistreated or abused, or who may suffer from a condition or disease. Although LaMa Animal Rescue & Support Services, evaluates animals prior to accepting them into its rescue they can not guarantee the temperament of any of the animals since most of their histories are unknown.

As a foster you must agree that said foster dog(s) will be kept on leash AT ALL TIMES when in an unfenced or unenclosed area – even if I am just walking from my house to my car. All rescues are prone to being escape artists, especially in an apartment/home or when they are left alone. They may bolt out of an open front door. I will be aware and careful.

I agree that LaMa Animal Rescue & Support Services., reserves the right to check on the welfare of this dog on my premises. I agree that said animal is the property of LaMa Animal Rescue & Support Services. I realize that as a foster I will receive no payment for caring for said animal. In the event that I do not comply with the guidelines set forth by LaMa Animal Rescue & Support Services the agency has the right to remove said animal from my home.

I understand that if, at any time in the future, I cannot continue in the foster program for ANY REASON, I will not sell or euthanize the dog. I will contact the foster lead or kennel manager for arrangements to be made to move the animal(s) into another foster home. I understand that LaMa Animal Rescue & Support Services will be responsible for any expenses that may occur while the dog is in my foster care. If a veterinary visit is necessary, please contact the foster team lead for authorization before taking the animal in for the visit.

I understand and agree that I will not adopt out or make arrangements to adopt out or give away any foster animals in my care. Most animals have rescue commitments to our partner rescues prior to coming into LaMa Animal Rescue & Support Services.

I have read and understand the above terms on this form in its entirety and understand the risks involved in fostering a dog. I also agree that if the information given on this application is not accurate to the best of my knowledge, I forfeit all rights to any and all foster animals residing in my care.

Furthermore, I agree to release, indemnify and hold harmless LaMa Animal Rescue & Support Services and any of its directors, officers, employees, members, agents and/or representatives from any and all possible claims arising from damages, injury or possibly even death caused by the pet to any person or property.

By my signature below, I am indicating that all information provided by me in this application is truthful and accurate. My signature below also indicates that I have read all terms & conditions listed in this application, that I understand all terms & conditions listed in this application, and that I agree to strictly abide by all of the terms & conditions listed in this application agreement. I also acknowledge that should I fail to abide by the terms & conditions listed herein, LaMa Animal Rescue & Support Services reserves the right to terminate this agreement and remove the above-named pet from my care.
